

Galena Unit School District #120
P.E. Uniform Order Form (2017-2018)
(Middle School Students Only)

Dear Parents/Guardians,

Middle School P.E. requires that your child dresses out in a physical education uniform every day that they have class. The cost for the uniform, which includes shirt and shorts, is \$20.00. Shorts are \$12.00 and shirts are \$8.00 if purchased separately. There will be a place on both the shirt and shorts to put the student's name in case they are lost or misplaced.

We are enclosing the sizes of the uniforms for you to check in order for us to get an approximate number to be ordered this summer. The shorts are 100% polyester and will include a drawstring. The shirts are 50% cotton and 50% polyester and will shrink a bit over time. Please make sure that your order fits your child. Many parents order a size larger so their children can get at least 2 years wear out of them.

We do supply Master combination locks for the students to use during the school year. If it is lost it will cost the student \$5.00. In the event that a student wants to bring a key lock, we will keep keys in our physical education office for the students.

Write the quantity wanted by the size and your child(ren)'s name/grade)
