

The Galena Athletic Booster Club Needs Your Help

The Galena Athletic Booster Club is excited to announce their support of a capital campaign to replace the bleachers on the home side at Coach Korte Field. The Booster Club has already committed \$40,000 to the project, but it will require an additional \$40,000 to be completely funded.

The existing bleachers are not accessible, and their maintenance is ongoing as well as costly. The proposed new bleachers will be 100% aluminum and portable in case they need to be relocated.

How can you help?

To assist in completing the \$40,000 worth of funding necessary to complete the project, the Booster Club is accepting tax-deductible contributions.

Donations of all sizes are imperative to reaching our goal; however, if you make a donation at or above the following levels, your generosity will be commended with special recognition on a plaque. The plaque will be located near the new bleachers and can serve as a memorial to honor deceased family members or fellow Pirate fans!

All contributors will be invited to a football game where they will be recognized. Please fill out the enclosed form to make your contribution toward this special project. **ALL DONATIONS, REGARDLESS OF AMOUNT, WILL BE RECOGNIZED IN PRINT.**

Thank you for your consideration.

Sincerely,

Joel Holland
